NEW PRESIDENT IN THE DRIVER'S SEAT

REPORT FROM JON HAACK

Hi all

Another two or so months have passed us by. Into warmer days now so more picnic trips planned.

Along with Summer season coming so too is the Motoring racing season. 🏎️ Cars, boats, bikes, planes, trucks and tractors!

Joy to the world!!

Welcome aboard to our newest members.

Ian Dallison, whom we are yet to meet has assured me his Austin Healy has come out of moth balls and after a couple of warranting items needing to be dealt with, will be ready to rock.

Welcome also Wendy Wilson and Greg Jenks whom had their first trip out with us on a recent Tuesday run to Canvastown, cruising in their stropky Bema Roster. Nice to meet you guys.

Have to say Max Gifford indulged me and bought along his very cool Barrel nose Ford truck on a recent Tuesday trip. Haacky definitely needs one!!

Don't forget to keep an eye out for our once-a-month Tuesday and Thursdays runs which have proved popular.

I look forward to seeing you all on our next Club run to Kekerangu and then the last get together for a Picnic at Onamulutu Domain.

This will be our last newsletter for the year, so I wish you all a safe and Happy Christmas.

Put a note in your diary our AGM 22nd February and nominate someone to come on our committee.

“Keep the wheels on the road”

Cheers Jon

CLUB CAPTAINS REPORT

Welcome to the 8 new members who all hail from Marlborough. Is it something in the water or do Marlborians only have roads to play on unlike the Nelsonians over the hill!? Welcome guys and we look forward to meeting you on our upcoming drives and trips over the summer.

Our next monthly trip on Sunday the 7th December to Tania and Paul Dewhirst's farm on Ellerton / Valhalla Rd high on the sea cliffs above Kekerengu is not to be missed. Tania's flair for gardening and building their B&B Bottle house plus now a new home is a credit to them both. See more information in the Events Section later in this Newsletter.

We are lucky to have such a wide group of members and committee who are prepared to organise events for all of us to get out in our cars and enjoy our stunning country in great company. Many of us will be pleased that from now on our WOF tests will be annual checks for our older vehicles that are not in regular use. Sylvia will definitely benefit from fewer Dr's visits

Anne-Marie and I would still like to have more reports from members on WHATS IN MY SHED. Get out there, take some photos and write a few paragraphs on what you have and how you came to own it. Your fellow members enjoy a good tale.

Whilst it's hard to fully enjoy your cars with all the road works ripping up tiny sections of our highways, they must be on the improve and can only get better..

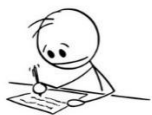

Stay safe out there and take care around the high number of logging trucks removing the wind fall trees from our last storm damage.

Pete Glue
Club Captain

Club member Bill Rogers from Picton unfortunately passed away

27th September 2025

We dropped our cars off to Omaka this morning only to learn Bill had passed away.

He had organised a group of 10 Triumph's for a line up.

He's been actively trying to get us motley lot to line up on several occasions with not a lot of success. Today we dutifully turned up, 9 Triumphs and lined up outside the venue at 8.30 as instructed like very obedient children.

Sashes were on the screens and we flew the flag with Pride!

Carolyn – 2020 Lord Nelson Tour

I have been a member of the club since its inception and the first Lord Nelson.

In 2012 I met and in 2015 Married my lovely Carolyn and introduced her to Classic Motoring. Carolyn thoroughly enjoyed the many Lord Nelsons and Aprils Fools we have taken part in plus other Nelson Marlborough Classic Motoring Club events. Unfortunately, after a very short illness Carolyn passed away on the 10th of November.

I didn't place a notice in any Nelson newspapers, only the Christchurch Press. Could you please note Carolyn's passing in your newsletter so the many friends we have made on all those rallies are aware we have lost her.

30th October 2025:

Thursday Run Report 30 October on a sunny Spring day, 28 members headed out to The North Nelson Country Club at Wakapawaka.

We were welcomed from 11 am onwards with tea and coffee and the bar was open for us.

At around 12 pm the Xmas lunch was served with the ham, new potatoes, mixed baked vege's and salads. Yum Yum. The deserts with pavlova, and a mixed fruit salad and strawberries was a great end to a excellent day out. The Country Club provided some prizes drawn from the entry numbers. This was very much appreciated by our members.

Hopefully we can do this again next year on the last Thursday run of the year, closer to Xmas. Many thanks to the members who attended to make this a great day.

Cheers

Blenheim Tuesday Cruise Day

14th October

We gathered as usual for a preload coffee before setting off from the Railway Station Carpark on route to have lunch at the Pelorus Tavern/Trout Hotel in Canvastown.

We diverted our trip there to take in the Tuamarina track which is a very pleasant “Drivers” road with great curves and scenery. Bit of shingle part way through just to add a bit of excitement. 😊

The weather wasn’t so good, especially for yours truly with the top down. 😞 I hung in there but conceded that the roof needed to come up for the return journey.

Unfortunately, I didn’t get any pictures apart from the Glovers very cool Mk3 Zephyr. The Stag was having a rest day apparently. (probably broken-down truth be known)

We had some new members join us, Max Gifford bought along his Consul 315 for his first outing, (our first car as a married couple) and Wendy Wilson drove her partner Greg Jenks out in a very stroppy BMW roadster. She was worried that the roadster wasn’t old enough to be a classic but commented that her Partner was an antique so maybe between him and the Car it could be considered a Classic.

Patricia Clay got to drive her “finally completed” (sorry Pat) Black MK1 Zephyr, with, I have to say, a very large smile on her face! Oh, the memories!!

So, in the lack of a photo, we had:

2 -Bema’s, 2-Zephyr’s, 2- Mustangs, 1- consul, 1 s.u.v something (Tr6 having a rest day also) and 1 Consul.

Great company as always and the lunch with a beer hit the spot.

11th November

A wonderful bunch of 19 meet for Brunch at the Runway Cafe with lots of natter and sharing of stories before heading to Rick Gleeson's for a tour of his sheds.

Rick's got a passion for collecting all sorts of memorabilia. His passion turns into obsession when it comes to NZ number plates. What fascinating and enlightening tales he had to tell about the history of NZ plates and how they have evolved.

E.G The original plates were issued by "The Empire". Then came regional plates which were hand painted. Police and Taxi Plates with no numbers used to be the norm. In 1925 Plates became National featuring NZ as the prefix and were changed yearly.

Due to W.W.2 steel shortages plates became valid for 5 years instead of yearly starting in 1941. Permanent silver on black plates was introduced in 1964.

If you happen to know the whereabouts of any old plates let me know so I can tell Rick. He's not a member of our Club. He doesn't know it yet, but he soon will be.

Next shed is a work in progress late 1940's or early 1950's Fordson Pick-up project. A real cutie!

The weather was kind which helped make it a pleasant outing, be it with very little driving.

Cheers

Jon

Report on the

NMCMC Canvas Town visit on Sunday the 16th of November 2025

By Bob Jamieson

Well, it was an early start for this NMCMC event for Barbara and I as we got up to watch the All Blacks Play the English team at 3:45am. Once the game was over and less said about the outcome the better, we packed up all we needed into the XKR Jaguar for our 11 weeks away in the North Island to do some house sitting and to catch up with our family & friends. At 9am we headed off from Kaiteriteri to Richmond to meet up with our friends Ken & Jan to head to Canvas Town and the Pelorus Hotel in our Jaguars.

The weather was perfect for a leisurely drive to our destination. On arrival at the Pelorus Hotel it was time to visit the Trout Bar to order refreshment drinks and let them know to expect 31 members would be arriving shortly from the Marlborough & Nelson areas. We hadn't been there long when a large group of Classic Motorcycle owners also arrived. Our Club Secretary Ken made a comment to me do you notice that some of the Motorcycle members are sporting injuries like legs and arms in plaster and the ones that aren't are limping. I think I will stick to four wheels.

Canvas Town certainly has a lot of history and if you haven't stopped there before I would certainly recommend making the time to stop and visit and also the Pelorus Hotel for a meal. There was a great collection of members cars present plus it was great to look at some of the classic motorcycles on display. The \$15 lunches were certainly great value and the team at the Pelorus Hotel did a great job of looking after us.

(see photos of this successful event)

SADLY, THE PRESIDENTS BELOVED SPITFIRE HAS BEEN REPLACED WITH A TR3 RACECAR. PLEASE HELP WITH SUGGESTIONS AS TO WHAT JON AND GED SHOULD DO WITH HER TO EASE THE PAIN OF SEPARATION.

WHO'S CAR HAD A "wee" whoopsie and split an engine mount which pulled off her top hose and so left a large puddle on Wakefield Quay. Luckily 3 good Samaritan's stopped and offered to tow her home. No spares in NZ so she will now have to sit quietly in the garage until replacements arrive from Rimmers in the UK

HEROES OF THE HILL 🏔️

Meet Jon Haack - "just another silly old fart finally getting to do what he wanted as a young fellow: race cars!"

Jon has zero "legal" race experience - just his 1970 Triumph Spitfire in Targa Rallies, VCC Time Trials, and club events. Family and business came first, but now it's time! "I'm mostly attracted to classic car racing, although when I went to meetings in the '70s as a kid they weren't classics! I guess you could say I'm stuck in a time warp."

The Car's Journey: A 1955 Triumph TR3 brought to NZ in 1996, converted by racing legend Gary Tansey, then campaigned by Rod and Anne Corbett mainly in Targa Rallies. Rod took it off the road in 2009 for a rebuild that stalled - until he bailed Jon up: "You HAVE to buy it, complete it, and come racing!"

Jon's sponsor (The Wife) saw the car: "Isn't she beautiful!" DONE DEAL!

20 months later with help from a great mechanic mate, she's ready! Has WOF and VIC certification, all period-correct modifications. Jon can't reveal the mods "in fear Red Bull Racing might steal the technology" 😊

His Description: "Like driving a K Bedford with a Harvard engine!"

His Goal: "Umm to finish would be a real plus!"

Hello All Members

BOOKING SYSTEMS

Many Restaurants and Cafes are now insisting that bookings are confirmed some days prior to attending their establishment. Further they may well insist that even if you do not attend that the meal is paid for.

This has come about due to them having to order and have enough food for the numbers booked and also have enough staff on hand to provide the service.

They will often have to throw out unused food and pay anyway even if people don't show.

On this basis the club, for many functions, may require you to:

1. Confirm your booking/attendance by a given date prior to the event.
2. If required, either pay a deposit or the full amount prior to the date specified.
3. If you decide to cancel after the given date, prior to the event, there will in all probability, be no refund.
4. If you decide after the given date, prior to the event, that you wish to attend then in all probability you will be excluded.
5. If you just show up to attend any function without confirming bookings/attendance then your participation will be at the discretion of the establishment we are attending. Please do not be offended if you are excluded.
6. If the club is subsidising the cost of the event and you do not attend without notifying the club by the given date, prior to the event then you may well be required to refund the club the subsidised amount. This is because the club will be having to pay for your participation in the event even though you do not attend and this results in a direct loss to the club and its members.

When required please ensure your payment is made to the **CORRECT** account specified.

GENERAL ACCOUNT – 12-3165-0158467-00

TOUR ACCOUNT – 12-3165-0158467-01

Also please ensure that on the Payee details your:

1. Your surname and initials are entered in the Particulars column
2. The event name or code is entered in the Reference column
