Club Presidents July 2023 Report from the DRIVERS SEAT

Hi fellow members.

It been great to catch with some of you at the recent adverts that the club committee have organised this year.

There are a lot more events coming, and Geoff Morris from Nelson has started up the monthly Thursday Runs again. We had 39 members attend the first one at Heaphy Winery & North Eatery at Upper Moutere Tasman. Planning is underway by Wayne Bell for the Lord Nelson Event next year to held somewhere in Central Otago.

Some of the subjects that have been discussed over lunch at these events has been the cost of living that affects a lot of our members on fixed incomes and also the state of our roads (Pot Holes) also the extreme weather events that have hit the North Island over the last few months.

I hope you took the opportunity to fill in the survey the NZFoMS sent out recently. It's surveys like this that help to give us a voice to stop certain political parties from banning older vehicles from our roads and making certain fuels unavailable.

The club committee decided as a club for our August Event we should support the Daffodil Day events being held nationwide on Sunday the 20th of August. I am certainly looking forward to attending the Nelson one.

Great to see our membership is still growing. As of July, we have a total of 332 members made up of 157 double memberships and 18 single memberships.

Barbara and I look forward to catching up with you at the upcoming events.

Stay Safe and Warm over the Winter Months

Kind Regards

Bob Jamieson
Club President

CLUB CAPTAINS July REPORT 2023

The months seem to slip by soooo quickly. Is it an age related phenomenon or is it just that I'm experiencing the first signs of dementia. The "classic" has not been out of the garage as much as I would like to have seen but Geoff's first foray in organising the end of month Thursday run was a great success and I'm sure Kevin and Frank would have been pleased to see the response of our members to get involved. I know Geoff was tickled pink to see his Mercedes SL parked as the entrance display outside the foyer of the Classic Car Museum. Little do they know that he probably still has a spare key for the old stunner.

It was pleasing also to see the early response of our members to confirm catering numbers for both the 'What's in my Shed' and 'Mid-Winter Christmas' outings. It makes it far easier for the organisers if they know well before hand the number attending for catering etc. Reports and photos on these events appear later in this newsletter.

Fuel prices have risen markedly since the abolition of the Govt subsidy, and it makes one thankful that they are not driving a Mahindra like many of our club members. Just joking Bob! Petrol costs are only a small part of enjoying your "classic" so don't let that put you off getting out and about on our club runs. We are past the midpoint of the Winter Solstice so spring is just around the corner... Not.

Had to laugh the other day when I had a scam email account for \$2.78 for non-payment of road tolls. You would have to be pretty thick to fall for that scam, but one does have to be vigilant in not responding to the many scams that come through regularly trying to part you from your hard-earned cash or identity. I was selling an e bike last month and had 8 offers from Russian persons wanting to send round their agent with the cash but needing more personal details in the first instance. "Bugger off scammer", was the reply they seemed to understand best.

Great to see that the Nelson Classic Car Museum is offering our members \$5 admission to their "HOODS UP" evening on Friday 8th September from 5 -8pm. All you have to do is show your name badge and receive the large discount to the normal \$25 entry. They will be firing up the WW2 merlin V12, trailer mounted aircraft engine that night as well, so bring your ear plugs.

Membership is steadily increasing which is so pleasing to see. As a club we are obviously catering to the needs of Classic car owners in the Top of the South region which was a case in point with the 85 people that came to look at Craig Boote's Muscle Car collection and stunning 80' Motor Yacht.

So far, we have had only one expression of interest in organising the Pachedable Steam Train trip from Blenheim to Seddon. With the changes to our events schedule let's look at doing the Steam train on SUNDAY 17th DECEMBER. The cost is \$69 pp and departs at 1.25pm, stopping in Seddon for 1 hour coffee break, returning 4.20pm.

Let me know p.j.glue@xtra.co.nz if you are keen to join and I will pencil in ticket numbers.

It is great to see support for the monthly Club runs. Don't hesitate to contact me if you have any bright ideas on places for us to visit - The two Ronnies, oops Garys, are planning an excellent trip taking in Nelson and Takaka in September so please respond early when the invitation goes out. I would like to see a boat trip to Lochmara in the Sounds for lunch in February or March 2024. If you have a fizz boat or launch and would be prepared to help transport our members across from Waikawa or Picton let me know and I will crunch the numbers and do further research. With a bit of a Tiki Tour this would be a great Club outing.

Plenty of events in the pipeline so" get out there and do it ". Until we catch up on the roads.

Friday September 8th 5 to 8pm.

The British call them *Bonnets* after the Old French word *bonnet*, which means cloth used as a headdress.

It's a little ironic that the British use a French term and the Americans use an English term. The French call it *un capot de voiture* just to confuse things further.

The 'Mericans call them *Hoods* from the Old English word *hod* which means a hood, a soft covering for the head.

A glorious noise maker is hidden underneath.

You don't get to see this every day - only 2 more Fridays this year.

Hello All Members

BOOKING SYSTEMS

Many Restaurants and Cafes are now insisting that bookings are confirmed some days prior to attending their establishment. Further they may well insist that even if you do not attend that the meal is to paid for.

This has come about due to them having to order and have on hand enough food for the numbers booked and also have enough staff on hand to provide the service.

They will often have to throw out unused food and pay staff even if people don't show.

On this basis the club, for many functions, may require you to:

1. Confirm your booking/attendance by a given date prior to the event.
2. If required, either pay a deposit or the full amount prior to the date specified.
3. If you decide to cancel after the given date, prior to the event, there will in all probability, be no refund.
4. If you decide after the given date, prior to the event, that you wish to attend then in all probability you will be excluded.
5. If you just show up to attend any function with out confirming booking/attendance then your participation will be at the discretion of the establishment we are attending. Please do not be offended if you are excluded.
6. If the club is subsidising the cost of the event and you do not attend without notifying the club by the given date, prior to the event then you may well be required to refund the club the subsidised amount. This is because the club will be having to pay for your participation in the event even though you do not attend and this results in a direct loss to the club and its members.

When required please ensure your payment is made to the **CORRECT** account specified.

General account

12-3165-0158467-00

Tour Account

12-3165-0158467-01

Also please ensure that on the Payee details your:

1. Your surname and initials are entered in the 'Particulars' column
2. The event name or code is entered in the 'Reference' column

June Shed Run review:

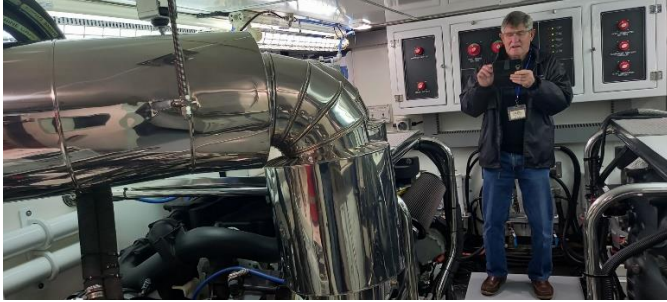

What a fantastic visit to Graig Boote's priceless collection of Ford GTHO and rare Ford Muscle cars. Over 85 people attended, and all were entertained by Craig's talk on winning with his Stock car that saw him be the champion NZ1 competitor for three years and of his trying for a fourth repeat but being sent into the wall by the sons of his old opponents at every race meeting. Craig now successfully races a classic Mustang. The restoration of his cars is stunning, and you would be happy to eat a meal off any area of the engine compartments. His 80-foot launch ARIKI, moored opposite Ruby's Cafe at the marina, is just beautiful but i wouldn't want to be paying the 500 litres per hour fuel bill. I can't wait to see his new foiling cat that he reckons will cruise in the 50 plus range ..

After a lovely lunch at the Anchor Bar and Grill it was off to the Radio Sailing Club at Best Island. Although there was little wind these 1m yachts speed across the pond like they had an electric motor in the bilge. I would not be surprised to see more of our Classic Car Club members join President Bob, Ken and myself out sailing in this excellent facility.

The 'What's in my Shed "day was a resounding success and I'm sure we will repeat it in 2024 as there is so much tucked behind the walls of our fine communities.

Thursday Run 29th June Report

On a nice sunny morning 39 members left Nelson Classic Car Museum carpark on a drive to Moutere Highway to Old Coach Road to Mapua. Stopped for a coffee break at the Wooden Art Gallery and the train coffee shop. Great viewing of the Wood creations and a long chat in the carpark. We then headed over Pomona Road to Tasman and onto Upper Moutere via Harley Road for a great Pizza Lunch at the North Eatery (Heaphy Wines). Some sat outside in the sun and others sat inside in the heated rooms, Great Venue and good service.

Thanks to everyone who supported my first Thursday Run.

Cheers Geoff

Mid-Winter Christmas Lunch

It was great to see such a good turnout of members old and new (69) for the Mid-Winter Lunch event at Club Waimea Richmond held on Sunday the 16th of July. We had a guest speaker John Miller who spoke on his time & experiences while working at the Nelson Car Assembly Plant. Some of the members could relate to

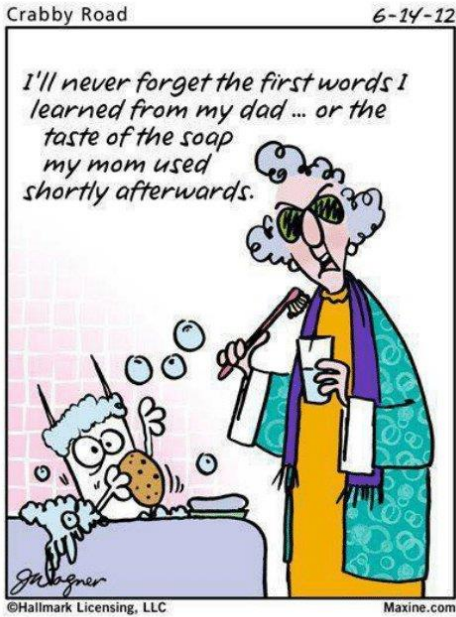

John Millers talk and some knew some of the characters that were mentioned in the talk. As usual Phil the Chef at Club Waimea put on an amazing food selection for this event.

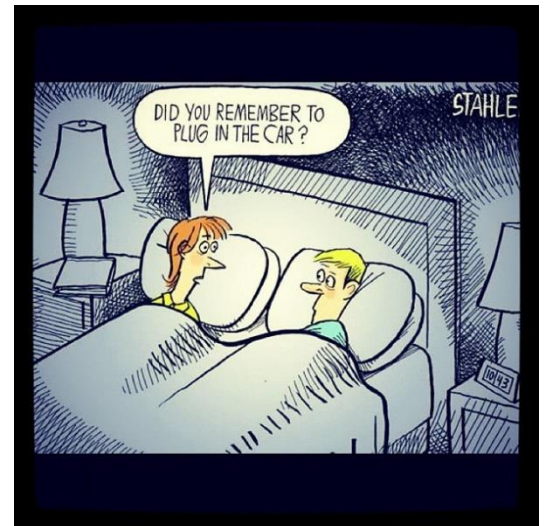

I am sure all the members enjoyed catching up with old friends and making new ones at this event.
