We welcome new members to the club;

Recent Club events (refer to the events reports further through)

The Sunday afternoon drive over the Motueka River and up to the Kohatu Café. It was a wonderful day for the run with a good turnout of members.

The Akaroa Tour was a huge success with about 50 people participating in this enjoyable weekend with good weather. Carolyn & I had business to take care of in Christchurch on the Friday, so missed out on Hanmer, instead we stayed three nights in Akaroa and joining in with the rest of the group on Saturday afternoon onwards.

These two photos to the right are of the Saturday night evening get together and meal at The Grand Hotel.

The photo below is the view from our motel room looking over the waters of Akaroa Harbour.

The quaint old house on the right is of one of many heritage houses in Akaroa.

It was a very enjoyable / social trip with events like the Akaroa Harbour cruise and many others.

Thanks go to the organisers.

CLUB CAPTAINS REPORT JUNE 2022

Well, it looks like the halcyon days of our extended summer are over and the roof will be more of a fixture for the next few months. I have to admit tho that the heated seats and air scarf do make top-down motoring on cold days a very pleasurable place to be.

Many thanks to Gary and Sandra Mortimer and Bruce and Diana Verry for organising a superb trip to Akaroa. The weather stayed kind, so the roofs remained off for the majority of travel. A couple who shall remain nameless succeeded in getting a speeding ticket before they had even left Wakefield. Another couple of people had clothing issues when they left items of clothing hanging in the wardrobes of the Hanmer Hotel. A full report and some stunning photos appear later in the newsletter. Akaroa turned out to be a super spreader of Covid 19 and a substantial number of us returned to lockdown at home after sharing Omicron with other family members. The good thing now is it feels like a “been there done that “event even tho you can get it again.

A number of members are finding that they are not getting Classic Car notices on their email. This may be caused by your computer not recognising the new sender spgreenhill@xtra.co.nz so the message is being sent to your SPAM or that you have changed your email address and our club records have not been updated. If you fit either of the above scenarios either have a look in your spam folder and move the message to your email so it will recognise the sender or contact our Secretary Rosanne@travelmanagers.co.nz with your new details.

On behalf of the club Pat Clay is making a submission to the FEDERATION OF MOTORING CLUBS for those making changes to their vehicles or Low Volume Vehicle Certification. If you have any information to support his submission, please contact patclay@xtra.co.nz.

We have a number of new members so please remember to wear your name tags on club outings. If you have misplaced yours, contact waynebell@gmail.com. For \$5 you will receive a new lanyard and holder as well.

Have a look at the upcoming events listed at the end of the Newsletter and mark on your calendar now. Your committee has tried to form a plan for the rest of the year. The next event will be the Marlborough Mid-Winter Dinner on 12th June followed by the Club Captains run based in Hokitika over the 29th -31st July. Contact: p.j.glue@xtra.co.nz .

The often-promised Steam Train excursion from Blenheim to Kekerengu is still in the planning stages only as their timetable is still on hold due to covid19 protocols.

Kevin York and Frank are doing sterling work in organising great runs to “Who knows Where” on the last Thursday of the month. These are proving so popular that we are even attracting club members from over the hill to attend. Bit of a cock up by me this week when I decided to follow a red MX5 as I wasn't sure where the pub lunch was being held in Takaka. It wasn't until I whistled past the Mussel Inn that I had second thoughts as to whether I was following Neil and Joan Thompson. Bugger!!

The Vintage Car Club has requested help with manpower to run their VINTAGE TARGA around Motueka over the weekend of 29 – 30 October. We require 12 people to assist with timing and record keeping. If you can help, please let me know and I will confirm what's needed closer to the event p.j.glue@xtra.co.nz

NPD have offered our members discounted fuel. Check out the article in this newsletter and follow the instructions if it's better than what you are getting with your fuel needs at the moment. Their unmanned stations offer excellent savings and are appearing all over the country. It's also good to support local.

In the meantime, please welcome our 20 new members to the club and get out on the club runs before you end up in lockdown.

Pete Glue
Club Captain

Does my bum look big in these??? Thanks Pat and Ian Barnes

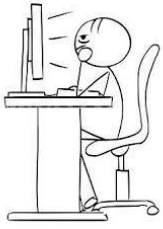

Name Tags

Please wear your name tag on Classic car runs as we have a number of new members, and it helps greatly with introductions for those of us suffering ageism. Replacement name tags, including lanyard and holder can be ordered through our club treasurer for \$5. waynebell@gmail.com

The upcoming LORD NELSON TOUR will not provide special tour name badges so our existing Club Name Tags WILL BE REQUIRED. If the club decides in the future to change our Club name, then members will be surveyed as to their name badge preferences.

Website Update from Geoff Morris

We have a new Website provider, and the Website is currently being updated.

The new Membership Form has been done so if you have friends that want to join download or get them too and fill it in and send it back to the club.

I will take a bit of time to complete this job.

Message from Sonja regarding Club Notices

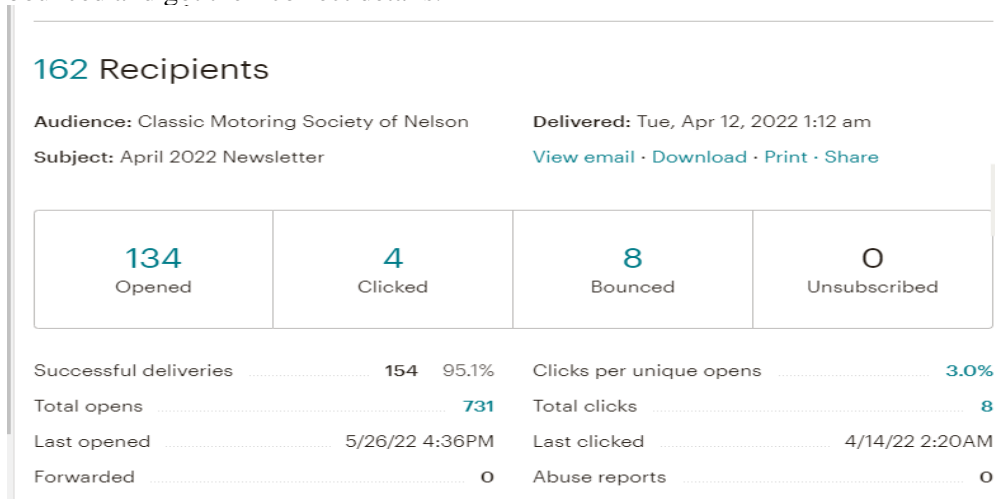

Club Email Notifications by Mailchimp

Thanks to everyone who has sent me their contact details. I am working through them all to update the list but I have a wee problem as work gets in the way. 😊

If you change your email address, postal address and phone number, please let me know so I can update our records. I have had requests from a couple of members to send the emails to 2 different email address (His and Hers 😊), just send me an email and I can set this up for you.

I have noticed that a number of the members might not be receiving the email notifications that have been sending out. I get a report showing how many have received and opened the emails.

This report (below) is what I received for the April 2022 Newsletter. This is telling me that of the 162 emails I have sent, only 134 have been opened and 8 email address were incorrect. I have contacted the people whose email have bounced and got their correct details.

I have also found out that some of the emails are being directed to people's spam/junk folder. If this is happening to you, all you need to do is to go to your Spam folder and open the email. You then need to click on the button to say it is not spam. Then any further email notification that I send, will be directed to your email box.

Also, if you receive an email from us, please open it before you delete so it registers on my report that you received it. Thanks.

If you have any problems, please do not hesitate to contact me on 027 578 9062 and I will see if I can help you.

Regards,

Sonja Greenhill

To The Top and Back Classic Marathon

4th- 15th September 2022

Every second year since 1996 the Christchurch based Classic Motoring Society of New Zealand has conducted its Marathon Classic Motoring tour.

The 2022 Staging will be the 14th such event and we welcome your participation. The tour will commence in Whanganui on Sunday the 4th of September and finish 12 days later in Masterton on the 15th of September. The tour will be run over a mixture of tarmac and gravel roads. The entry fee includes a bus excursion from Kaitaia to Cape Reinga via 90 Mile Beach, entry to a vehicle display, and three group dinners. The tour does not have a competitive aspect and is conducted over open public roads giving our participants the opportunity to explore some roads they would not normally use.

Eligible vehicles:

As with all CMSNZ tours it is open to vehicles of all types and all ages. Our aim is to provide a classic motoring experience with like-minded people.

General Information:

The Classic Marathon is not a competitive event in any sense. You are encouraged to fully participate, interact, and enjoy yourselves. A route book will guide you if you choose to follow the plotted route, but the navigation is not designed to get you lost! It is designed to get you to the next night's accommodation.

Drinking and driving do not mix.

Drivers are required to uphold a high standard of driving skill, courtesy, and compliance with road rules at all times. We remind all participants that drinking, and driving do not mix. There will be time enough for socialising.

Courtesy:

This particularly includes allowing faster cars to pass on gravel and dusty road sections. Likewise, overtaking drivers must pay high regard to the welfare of other tour members and road users and their cars.

The tour will not include a "Tail End Charlie". So, all participants must be able to service, repair or repatriate their own vehicles. We expect all entrants to provide assistance to any other entrant where they can.

We trust that you will find this event challenging and enjoyable and we look forward to having you with us.

Tour Planners/Plotters:

Our thanks to **Phil Schultz, Margaret Povey, Ian, and Jenny Sowman** for organising an excellent tour for our enjoyment

PO Box 10331, Christchurch 8145.

Sunday 10th April run

Members in 27 Classic Cars enjoyed a beautiful sunny calm Autumn Sunday afternoon run with a stop off at the Kohatu Café for refreshments. The Run travelled through the Moutere and Rosedale Saddle to cross the Motueka River on the Peninsula Swing Bridge, along the West Bank and back across the Baton Bridge and on through Tapawera to Kohatu.

Thursday 28th April - Autumn Drive

Five cars assembled on this sunny day to enjoy the autumn colours along the 85-kilometre drive. The route took us through Richmond East joining SH⁶ at the junction of Clover Road East and Lightband Road. At Brightwater we turned into Lord Rutherford Road South and re-joined SH⁶ via Bird Road. Next instruction was the 15-kilometre drive on 88 Valley Road to Hiwipango. A left turn into Stock Road took us to Valley Road through the Golden Downs. Rob and Karen Thompson led the way in their Model T Ford roadster especially on the downhill sections when the two-wheel brakes were working overtime. From North Road we re-joined SH⁶ back to Faulkner's Bush Scenic Reserve at Wakefield. Over lunch Rob told us about building the Model T from spare parts and some of places they have been to during 40 years of ownership together with the occasional major breakdowns that has occurred. It was great to see Jack and Jenny Shuttleworth giving their MC an outing. Frank can recommend the pies from the "the Bakery" at Wakefield.

Akaroa Trip 6th May

We set off on 6 May, first stop at the River Cafe Murchison, where we met up with our Nelson members and had a delicious morning tea. Off to Hanmer where some went for a walk in the forest to view the carvings, others a swim and a peruse through town.

After a briefing next day, we were off to Akaroa, checked in at our accommodation, then most went to see the Giants House, a fun mosaic sculptural garden, you just didn't know what to look at next. That night we all had dinner at the Grand Hotel, lots of laughs and socializing. Next morning, we met at the wharf and were off on a boat cruise, sighting dolphins, penguins and learnt about the interesting geography and history of the area. That afternoon a drive to Wainui, French Farm and Barry's Bay Cheese, meeting up for a drink at Duvauchelles Pub.

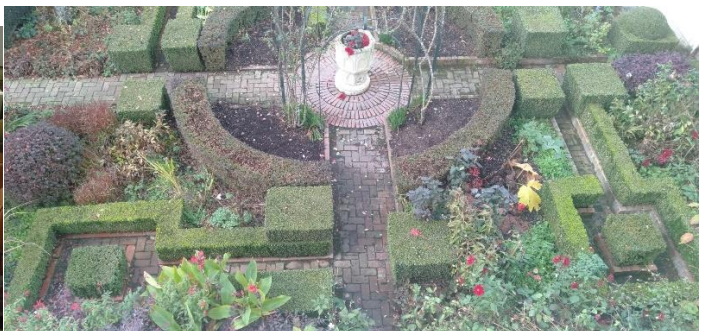

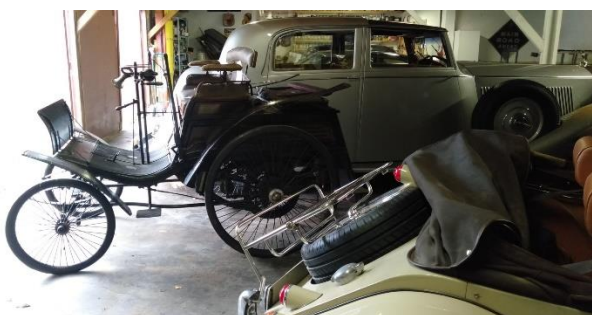

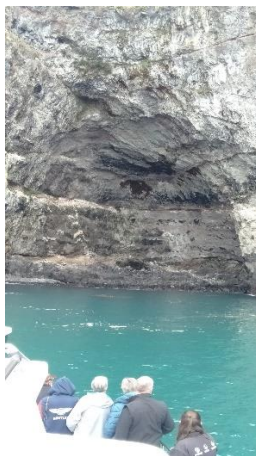

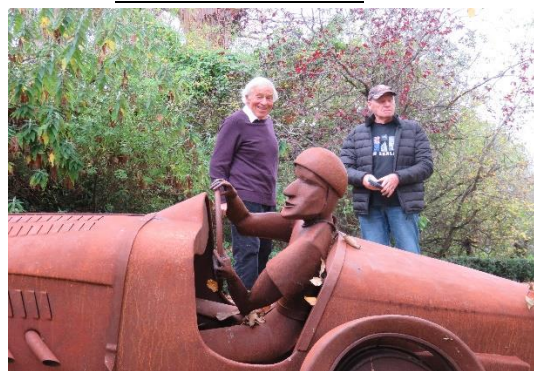

On Monday we headed over the Summit Road, although very foggy, down to Little River and on to Ohinetahi, Sir Miles Warrens Garden at Governors Bay, wonderful to see the restoration of the house and garden after the ChCh earthquake.

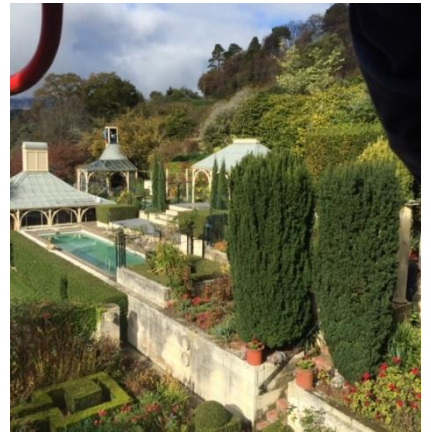

Fantastic to have the opportunity to visit Gavin Bains car collection that Peter Glue organized also at Governors Bay. There were certainly some beauties we would love to own. On the way back to ChCh some were lucky enough to visit Auto Restorations.

Thanks to everyone who took part in making this an enjoyable event.

Thursday 26th May - Golden Bay Trip

Inclement weather did not deter a good turnout of vehicles. Visibility was reduced somewhat on the Takaka hill, but the weather cleared from Uruwhenua on.

Lyn and Keith Pearce along with Peter Greenhill made the trip over from Blenheim to join in with us. New members Kyra and Jim Wearing made the not unfamiliar trip over 'the hill' for them, to partake in the event. Frank had organised lunch at the River Inn and this turned out to be an ideal venue. After a good meal and a lot of idle chatter participants left to view places of interest around the Bay.

The benefits we can offer the club include:

- Sponsorship and support events / Rebates or discounted premiums for club members / Spot prices/giveaways / Myself as a direct contact person for any motor vehicle insurance queries / Easy to use online quoting and purchase facility / No glass excess

Let me know if you have any questions at all, I look forward to your reply.

We track the policies referred by the club by providing a unique promo code and URL link the club can share on its website and social media pages. We do ask new clients where they heard about us from and if they were to say "Classic Motoring Society" we would assign that new quote to the club. If the new client purchases the policy a commission will be allocated to the club.

For the club to obtain the commissions, we normally let a decent amount build up say \$100 or more and we will require club details and bank account details to transfer the funds.

So please call 0800 250 600 or online starinsure.co.nz & use this Promo Code for special discount JO-STAR
