We then departed to cruise down the Motueka Valley ending up in Motueka at Richard & Sue Horrell's place to view their collection of cars, so many cars' Fords & some Lotus. Thanks very much to the Horrell's enjoyed by all as per attached photos. Also, thanks to Peter Hoult for organizing the day's run.

The Daffodil Rally for Cancer run by VCC Nelson held on Sunday 21st September was very well supported.

60 years of MGB's was celebrated in Nelson and Marlborough starting with Morning Tea on Tuesday 20th September, the Nelson ones met at Villa Wakefield and some of Marlborough people met at Vines Village as per photo.

CLUB CAPTAINS SEPTEMBER REPORT 2022

Spring has sprung and our glorious leader has released us from the bonds of wearing masks and not meeting together for fear of catching the dreaded lurgy, COVID19. We know it's still out there, but it is time to shake off the shackles and get back to ticking of the bucket list and building friendships with the great unwashed around us. So put that polishing rag away and get out on the road. Just check before you leave home that the roads are still there as the August rains dealt one helluva blow to our region and we feel so sorry for those still red stickered plus those who suffered damage in so many ways. Quite a few of our members are still experiencing on going troubles accessing their homes down the sounds and in rural areas.

On a more positive front I suppose all Classic car owners can be a little bit thankful that the Labour Minister of Transport, Michael Wood has intimated that older cars in the NZ fleet need have no fears that Petrol will be phased out completely by the present Government or that all vehicles will have to get used to a biofuel mix that has shown to cause deterioration to engine parts, performance and on some occasions fires. Mind you I'm still carrying the pack of Heller Sausages in the boot of the BMW i3 just in case the batteries cry enough and we have a BBQ on our hands in the middle of the Whangamoas .

TARGA 2022 kicks off with scrutineering at the Annesbrook Church on Saxton Rd on Friday 14th October 8.30 -4.00. This will be an ideal opportunity to get up close and personal with the cars and their crews if you're interested. Saturday's course is up the 88 Valley with Sunday being run on the West Bank of the Motueka River. If you are willing and keen to help with timing, etc, let me know ASAP and one of the VCC organiser will get in touch. Many thanks to the 10 club members who have offered to help already.

The Richmond and Nelson West Rotary Clubs are running a TOP of the SOUTH MOTOR SHOW in the RICHMOND A & P SHOWGROUNDS on February 18th 2023. This event will cover anything with wheels and will be an opportunity for many clubs to attract new members. There will be seminars running to educate and inform on topics ranging from Electric Cars to Performance Dyno Tuning. This stunning venue under the trees should be spectacular so plan your holidays, leaving this date free to gather as a club for a picnic and a show and shine.

October 16th sees a large contingent of club members kicking off on our LORD NELSON 2022 TOUR from Oamaru to Invercargill and Greymouth. Safe travels to you all and many thanks to Jeff Pascoe, Bruce Watson and their organising Committee for all their efforts to ensure this will be yet another memorable Classic Car Tour.

Pete Glue
Club Captain

Our Page 3 undies guy strikes again but this time it's the back end of his car!!!!

The committee think this photo of Pete Glue's Mercedes exhaust tailpipes don't match and having a TOW BAR ON A MERCEDES COUPE IS NOT COOL 😏

-- RH side tailpipes are boy racer blue the LH side tailpipes are the factory originals.

Unfortunately, photo isn't very clear - perhaps check out his rear end on next rally!!!

Name Tags:

Please wear your name tag on Classic car runs as we have a number of new members, and it helps greatly with introductions for those of us suffering ageism. Replacement name tags, including lanyard and holder can be ordered through our club treasurer email: waynebell@gmail.com for \$5.00.

65 people including 4 new members had a lovely drive to Lake Rotoiti Alpine Lodge with weather good enough for top-down motoring for most!

SUNDAY 18TH SEPTEMBER RUN

40 members enjoyed a good spring day's country roads drive to Kohatu Café for lunch and then down beside the Motueka River to visit Richard and Sue Horrell's car collection. They have 80 plus cars from a Ford Pilot to a Bathurst Racecar, mainly Ford vehicles with selected other interesting makes. The vehicles are stored in

adjoining sheds and Richard spoke to members about most of the cars, their background and other interesting information. Thankyou Sue and Richard for your hospitality.

A Chinese man comes to Los Angeles for a holiday. He arrives at LAX and gets a cab to take him to his hotel. On the way he sees a few buses, and he says to the taxi driver: "The buses here are so noisy and really slow... In China the buses are very fast!" The taxi driver says nothing. Later the Chinese tourist sees a marina with a few boats sailing by. He comments again to the driver: "The boats here are so slow... in China the boats are very fast!" The driver kept silent and drove. When they get to the hotel, the Chinese tourist gets out of the taxi and asks for the meter reading. The driver calmly tells him the price, and the man is startled. "Are you kidding?" he yells, "Your buses are so slow, the boats are so slow. If everything else here is so slow then how come the meter of your taxi is so fast?!?" The driver gives him a smile and says: "It's made in China."

A young monk arrives at the monastery.

He is assigned to helping the other monks in copying the old canons and laws of the church, by hand.

He notices, however, that all of the monks are copying from copies, not from the original manuscript. So, the new monk goes to the Old Abbot to question this, pointing out that if someone made even a small error in the first copy, it would never be picked up! In fact, that error would be continued in all of the subsequent copies.

The head monk, says, "We have been copying from the copies for centuries, but you make a good point, my son."

He goes down into the dark caves underneath the monastery where the original manuscripts are held as archives in a locked vault that hasn't been opened for hundreds of years.

So, the young monk gets worried and goes down to look for him. He sees him banging his head against the wall and wailing.

"We missed the R! We missed the R! We missed the bloody R!"

His forehead is all bloody and bruised and he is crying uncontrollably.

The young monk asks the old Abbot, "What's wrong, father?"

With a choking voice, the old Abbot replies,

"The word was ...
